## BOOK SYNOPSIS

First came A Man, a Can, a Plan: 50 Great Guy Meals Even You Can Make. The Sunday Star-Ledger cheered it as a "foolproof, not to mention spill-proof guide to manly success in the kitchen." And the Detroit News exclaimed, "Dude, this cookbook is for you." Next came A Man, a Can, a Grill: 50 No-Sweat Meals You Can Fire Up Fast. Cookbook author Andrew Schloss, who wrote Cooking with Three Ingredients and Dinners Ready, called the recipes "easy, flavorful...streamlined and smart. Real food-so good that no one will ever guess your secret is in the can." Now theres A Man, a Can, a Microwave--and all those "dudes" who helped put the "Grill" book on the New York Times bestseller list will be pleased to know that David Joachim and the editors of Mens Health havent lost a beat. The 50 guy-friendly, nuke-able meals using packaged ingredients are fun to make and great to eat--and include such tasty dishes as "Italian One-Dish Fish," "Teriyaki Beef with Broccoli," and "Painless Paella." With step-by-step recipes and full-color photos, A Man, a Can, a Microwave, like the previous books in the series, is perfect for anyone learning to cope in the kitchen. Make sure you have a can opener--and a hearty appetite!
