## BOOK SYNOPSIS

Can a guy and a girl really be just friends? Blurred Lines is the sexy take on this timeless question in the Love Unexpectedly series, from Lauren Layne, author of bestselling Sex, Love & Stiletto, Oxford and Wedding Belles romantic comedy series. Perfect for fans of Jessica Lemmon, Lauren Blakely and Emma Chase. When Parker Blanton meets Ben Olsen during her freshman year of college, the connection is immediate - and platonic. Six years later, they're still best friends, sharing an apartment in Portland's trendy Northwest District as they happily settle into adult life. But when Parker's boyfriend dumps her out of the blue, she starts to wonder about Ben's no-strings-attached approach to dating. The trouble is, even with Ben as her wingman, Parker can't seem to get the hang of casual sex - until she tries it with him. The arrangement works perfectly...at first. The sex is mind-blowing, and their friendship remains as solid as ever, without any of the usual messy romantic entanglements. But when Parker's ex decides he wants her back, Ben is shocked by a fierce stab of possessiveness. And when Ben starts seeing a girl from work, Parker finds herself plagued by unfamiliar jealousy. With their friendship on the rocks for the first time, Parker and Ben face an alarming truth: Maybe they can't go back. And maybe, deep down, they never want to. Want more fun, fresh, flirty and very sexy rom-com? Check out the titles in the Oxford series, beginning with Irresistibly Yours, and don't miss the warm, witty and sexy Wedding Belles series.

**BLURRED LINES LOVE UNEXPECTEDLY** - Are you looking for Ebook Blurred Lines Love Unexpectedly? You will be glad to know that right now Blurred Lines Love Unexpectedly is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Blurred Lines Love Unexpectedly may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Blurred Lines Love Unexpectedly and many other ebooks.

We have made it easy for you to find a PDF Ebook without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Blurred Lines Love Unexpectedly. To get started finding Blurred Lines Love Unexpectedly, you are right to find our website which has a comprehensive collection of manuals listed.
