BOOK SYNOPSIS

Users will build confidence and reduce anxiety as they prepare for the American Board of Pediatrics certification and recertification exams. Written primarily by distinguished Cleveland Clinic faculty, this detailed and practical review is organized into subspecialty sections, each concluding with a board simulation chapter to build users' test-taking skills. Numerous bulleted lists, tables, and illustrations improve retention of essential facts. Two practice board exams at the end of the book provide opportunities for self-assessment. Convenient companion website offers the fully searchable text, an image bank, and 100 online-only questions with answers. The Fourth Edition includes new board simulation in sports medicine, detailed rationales for each response, and self-assessment features in all board simulation chapters that let users evaluate their strengths and weaknesses. This is the tablet version which does not include access to the supplemental content mentioned in the text.
