BOOK SYNOPSIS

El teniente Seth Buchanan se hallaba cara a cara con una mujer muerta... que empuñaba una pistola. Su investigación por homicidio, y su corazón, se volvieron un torbellino cuando Grace Fontaine resultó estar viva y coleando... y en posesión de uno de los enormes diamantes azules conocidos como las Estrellas de Mitra. Aquel frío y circunspecto policía no permitía que los sentimientos se interpusieran en su trabajo, y todo lo que sabía sobre la famosa heredera le inducía a pensar que era puro veneno. Pero en su irresistible presencia resultaba difícil recordar que hubiera otros misterios más importantes que resolver que la propia Grace.
