BOOK SYNOPSIS

A detailed study of one of the greatest warplanes in aeronautical history, made famous by Manfred von Richthofen and other leading German aces. This profusely illustrated book includes a brief outline of the history of the Fokker company, the development of the Triplane, its initial employment and its subsequent use over the front line. There is also an analysis of unit and individual markings. A leading reference work on the subject. Includes 250 b&w photos, b&w drawings and illustrations, maps, and 30 color aircraft artworks by noted aviation illustrator Harry Dempsey.
