BOOK SYNOPSIS

Meg is spending the summer at the Biscuit Mountain Craft Center, helping her grandmother Cordelia run the studios. But someone is committing acts of vandalism, threatening to ruin the newly-opened centers reputation. Is it the work of a rival center? Have the developers who want to build a resort atop Biscuit Mountain found a new tactic to pressure Cordelia into selling? Or is the real target Megs grandfather, who points out that any number of environmentally irresponsible people and organizations could have it in for him? While Meg is trying to track down the vandal, her grandfather is more interested in locating a rare gull. Their missions collide when a body is found in one of the classrooms. Can Meg identify the vandal and the murderer in time to save the centers name--while helping her grandfather track down and rescue his beloved gulls? Gone Gull brings readers yet another knee-slapping adventure filled with Andrews cast of wacky characters.

GONE GULL A MEG LANGSLOW MYSTERY MEG LANGSLOW MYSTERIES -
