BOOK SYNOPSIS

Written by a street cop, this unique publication compares the various pieces of law enforcement equipment to the spiritual armor that the Bible describes in Ephesians chapter 6. The importance of each piece of equipment is driven home through engaging, real-life police stories (responding to the infamous L.A. Riots, the devastating 1994 Northridge earthquake, working in jails, making arrests, and more). Although much has been written about this well-known passage of Scripture, little has been written from the perspective of a Christian who wears and uses the physical armor of the police officer every day, fighting both the physical battle against crime in our society and the spiritual battle against evil that all individuals are called to fight. You don't have to be a cop or a Christian to be encouraged and challenged by this book. In addition to building your faith, this book will serve as a helpful introduction to the men and women who protect you and your community.
