BOOK SYNOPSIS

Land Law: Text, Cases, and Materials has been designed to provide students with everything they need to approach their land law course with confidence. Experts in the area, the authors combine clear and insightful commentary with carefully chosen extracts to offer students a full account of the subject. Using the popular Text, Cases, and Materials format the authors take a critical approach to the subject, presenting thought-provoking analysis of some of the leading case-law in the area and inviting students to develop their own analytical skills ready for exams. Covering a broad range of topics, the authors draw on their extensive teaching experience to present a comprehensive, critical and case-focused account of land law. The book is accompanied by an Online Resource Centre offering detailed updates to the law following publication, useful web links, multiple choice questions with answers and feedback, and guidance on answering end-of-chapter questions.
