BOOK SYNOPSIS

The 3rd Volume of our Self Assessment Questions & Answers series provides you with a case scenario followed by a series of question. In the answer section we provide the case scenario in highlighted format with margin notes indicating the significance of the highlighted material. This illustrates a systematic approach to case scenarios with a proven track record. This is followed by the correct answers and a narrative explanation for these answers. We are confident that this additional volume of questions and answers will be a useful additional tool that can be used with our main text and other companion titles. Among the many features are: * Over 125 detailed Clinical Case Scenarios with 2-3 questions each as they would likely appear on your exam! * We provide you with a proven system to break down each vignette systematically to avoid the diversions inherent within. * Our Answer section contains several icon signposts indicating the significance of the highlighted material.
