BOOK SYNOPSIS

Meet the lesser of all evils! Every hero needs a villain. But not all villains are dangerous—some are incompetent, comical, or just . . . weird. In his follow-up to *The League of Regrettable Superheroes*, author Jon Morris presents over a hundred of the strangest, most stupefying supervillains to ever see print in comics. Meet D-list rogues like Brickbat (choice of weapon: poisonous bricks), Robbing Hood (steals from the poor to give to the rich), Swarm (a crook made of bees; Nazi bees), and many more. Drawing on the entire history of the medium, *The Legion of Regrettable Supervillains* affectionately and hilariously profiles oddball criminals from the history of comics. From the Hardcover edition.
