## **BOOK SYNOPSIS**

We are not positive because life is easy. We are positive because life can be hard. As a leader, you will face numerous obstacles, negativity, and tests. There will be times when it seems as if everything in the world is conspiring against you and your vision seems more like a fantasy than a reality. That's why positive leadership is essential! Positive leadership is not about fake positivity. It is the real stuff that makes great leaders great. The research is clear. Being a positive leader is not just a nice way to lead. It's the way to lead if you want to build a great culture, unite your organization in the face of adversity, develop a connected and committed team and achieve excellence and superior results. Since writing the mega best seller *The Energy Bus*, Jon Gordon has worked and consulted with leaders who have transformed their companies, organizations and schools, won national championships and are currently changing the world. He has also interviewed some of the greatest leaders of our time and researched many positive leaders throughout history and discovered their paths to success. In this pioneering book Jon Gordon shares what he has learned and provides a comprehensive framework on positive leadership filled with proven principles, compelling stories, practical ideas and practices that will help anyone become a positive leader. There is a power associated with positive leadership and you can start benefiting yourself and your team with it today.
