BOOK SYNOPSIS

This is the definitive recipe book and behind-the-scenes look at Zingermans Bakehouse, a popular artisanal bakery in Ann Arbor, Michigan and supplier of baked goods to Zingermans Deli and Zingermans Mail Order. The book includes 65 meticulously tested favorite recipes from the Bakehouse, ranging from simple baking projects such as brownies to their famous rye and farm-style breads, and their never-before-published recipe for sour cream coffee cake. The book is structured chronologically, with headnotes and sidebars that follow the narrative arc of building the business, perfecting favorite recipes, and responding to trends. More than 60 photographs capture the delicious baked goods and the atmosphere of the Bakehouse, and color illustrations add whimsy and visual branding to the book.
